

DATE: August 28, 2020
DIRECTIVE NO: 52-20
RECISSION: La Cooperativa Directive No. 26-09
TO: All La Cooperativa Subrecipients
SUBJECT: Worker Displacement Prohibition
REFERENCES:

- Workforce Innovation and Opportunity Act (WIOA) (Public Law 113-128) Sections 181(b)(2) and (3)
- Title 20 Code of Federal Regulations (CFR) Section 683.270

PURPOSE:

The purpose of this directive is to communicate federal and State policy and procedures regarding prohibitions against replacing regular employees with WIOA participants, and against infringing on the promotional opportunities of currently employed individuals.

POLICY AND PROCEDURES:

This policy provides the guidance and establishes the procedures regarding the prohibition on the replacing of regular employees with WIOA participants, and against infringing on the promotional opportunities of currently employed individuals. This policy applies to all WIOA subrecipients of La Cooperativa Campesina de California (LCCDC).

The WIOA Section 181(b)(2) states the general prohibitions against displacing current employees and against impairing existing contracts for services and collective bargaining agreements.

Additionally, WIOA Section 181(b)(3) states the prohibitions against replacing laid off employees with WIOA participants and against using WIOA participants to replace employees who have been terminated with the intent of so replacing them. Section 181(b)(3) of WIOA further prohibits infringement on the promotional opportunities of currently employed workers.

Further information and clarification regarding federal requirements for ensuring that WIOA participants do not displace other employees can be found in 20 CFR Section 683.270(a) through (c). Finally, 20 CFR Section 683.270(d) provides that regular employees and program participants alleging displacement may file a complaint under applicable WIOA grievance procedures.

As required under WIOA Section 181(b)(2)(A) and 20 CFR Section 683.270(a), participants in programs and activities authorized under WIOA Title I may not displace (including a partial displacement, such as a reduction in the hours of non-overtime work, wages, or employment benefits) any currently employed employee (as of the date of participation).

WIOA Section 181(b)(2)(B) and 20 CFR Section 683.270(b) prohibit the impairment of existing contracts for services or collective bargaining agreements. When a program or activity authorized under WIOA Title I would be inconsistent with a collective bargaining agreement, the appropriate labor organization and employer must provide written concurrence before the program or activity begins.

As required by WIOA Section 181(b)(3) and 20 CFR Section 683.270(c), a WIOA participant may not be employed in, or assigned to, a job if any of the following is true:

- Any other individual is on layoff from the same or any substantially equivalent job.
- The employer has terminated the employment of any regular, unsubsidized employee or otherwise caused an involuntary reduction in its workforce with the intention of filling the vacancy so created with the WIOA participant.

The job is created in a promotional line that infringes in any way on the promotional opportunities of currently employed workers as of the date of the participation.

Finally, 20 CFR Section 683.270(d) states that regular employees and program participants alleging displacement may file a complaint under the applicable grievance procedures found in WIOA Section 181(c) and 20 CFR Section 683.600. Subrecipients are required to establish and maintain procedures for participants and other interested parties to file grievances and complaints alleging violations of WIOA Title I requirements as outlined in WSD18-05.

As a part of their oversight responsibilities, LCCDC subrecipients are responsible for ensuring that there is a system in place that facilitates compliance with the above described non-displacement prohibitions in WIOA and its associated regulations.

ACTION:

LCCDC and its subrecipient shall follow this policy. This policy will remain in effect from the date of issue until such time that a revision is required.
